I. ARGUMENT

On December 26, 2016, Defendant-Appellant Robynne A. Fauley (“Fauley”) filed an Application for an Order in Response to Appellee’s Responses to Certain of Appellant’s Motions and Requests (Dkt. # 29) (the “Application”). The Application purports to request an order granting Fauley’s previously-filed Motion for Summary Disposition (Dkt. # 10) or, in the alternative, for an order granting her previously-filed Motion for Summary Reversal (Dkt. # 16). To the extent the Application is a new motion or request, Plaintiff-Appellee LNV Corporation (“LNV”) opposes the Application. LNV reaffirms and incorporates by reference its arguments in response to the previously-filed motions and does not offer any additional argument, as none is necessary. (*See* Dkt. # 15 and Dkt. # 28).
